IN RE: Rulemaking Regarding Information to Be) ORDER
Filed with Financing Applications) PROMULGATING
) FINANCIAL
) REGULATION

This matter comes before the Public Service Commission of South Carolina (“Commission”) for consideration of promulgation of a regulation on information to be filed with financing applications in the electric area. In the June 2011 issue of the State Register, the proposed regulation, a Statement of Need and Reasonableness for the regulation, and a Preliminary Fiscal Impact Statement were published. This Commission also published a Notice of Public Hearing, which stated that the Commission had scheduled a hearing for September 14, 2011, at 10:30 a.m., to take place in the Commission’s Hearing Room.

A hearing was held on September 14, 2011, at 10:30 a.m. in the Commission’s Hearing Room, with the Honorable John E. Howard, Chairman, presiding. All jurisdictional documents were submitted into the record as a hearing exhibit, which was admitted into evidence. Jocelyn Boyd, Chief Clerk and Administrator, outlined the proposed regulation, which proposes a list of questions/issues that must be answered in conjunction with financing applications of all regulated electric utilities. The questions/issues originally appeared in Commission Order No. 1991-72.

The Commission has considered this matter and finds that the regulation is reasonable. There is no opposition to the proposal. Based on the record as a whole, the Commission finds that the requisite need and reasonableness have been met, and that the regulation should be promulgated.

IT IS THEREFORE ORDERED THAT:

1. The new regulation as described above is promulgated.
2. The regulation shall be submitted to the General Assembly for review pursuant to State law.
3. This Order shall remain in full force and effect until further Order of the Commission.

BY ORDER OF THE COMMISSION:

John E. Howard, Chairman

ATTEST:
